

1. K-LOVE radio allows me to listen to commercial free Christian radio all day while I work. I am extremely more effective and efficient in my job as I listen and manage complex planning and scheduling for our most important product line. No other playlist format is available in our community.
2. If K-LOVE were to be replaced by an LPFM station we would lose the commercial free music content replaced with an unknown broadcast format. There is little chance an LPFM would play commercial free music like K-Love.
- 3 With all the stress and hassle in our lives these days, K-LOVE provides an encouraging and uplifting music format that makes a difference in peoples lives. Whether a person is at the end of his/ her rope, or whether a person is celebrating something major in his/ her life K-LOVE offers a wonderful companion in enjoying life.

Please don't allow an LPFM to replace our K-LOVE station!
